

## AI Engineer

Location

San Francisco

Type

Full time

Department

Engineering

### OverviewApplication

We're seeking an [AI engineer](#) to own the core models and prompts that power our product. Gamma weaves together text, image, and layout generation to automate all the drudgery of building presentations and websites. We use AI throughout our product, and we want you to help us to elevate quality, evaluate new models, and push the frontier with new features and modalities.
