Data Scientist

at Accenture Federal Services

Washington, DC

At Accenture Federal Services, nothing matters more than helping the US federal government make the nation stronger and safer and life better for people. Our 13,000+ people are united in a shared purpose to pursue the limitless potential of technology and ingenuity for clients across defense, national security, public safety, civilian, and military health organizations.

Join Accenture Federal Services to do the work you love in an inclusive, collaborative, and caring community, where you can be empowered to grow, learn and thrive through hands-on experience, certifications, industry training and more.

Join us to drive positive, lasting change that moves missions and the government forward!

Accenture Federal Services is seeking a Data Practitioner to manage, architect and analyze big data in order to build data driven insights and high impact data models.

Responsibilities include:

- Create a value chain to help address the challenges of acquiring data, evaluating its value, distilling & analyzing
- Examine data from multiple sources and share insights which provide competitive advantage
- Automate existing manual processes and enable the customer to visualize the data
- Contribute to assets/offerings and thought leadership
- Act as a Subject Matter Expert in the area of expertise and enhance Accenture's marketplace reputation

Here's what you need:

- 1 year of experience with data science, Geospatial analysis, Maritime or imagery analysis and a Bachelors degree, or 5 years of experience with data science, Geospatial analysis, Maritime or imagery analysis
- 1 year of experience with Python or Tableau

Bonus points if you have:

- Knowledge of ArcGIS
- Data visualization tools to include Tableau
- Performing Data Conversion/migration
- Performing Business Analytics
- Knowledge of Bathymetry
- 5 years of experience working with the Government on new production capabilities/services
- 5 years of experience performing ad-hoc analysis and present results in a clear manner
- 5 years of experience conducting undirected research and frame open-ended industry/customer questions
- 5 years of experience creating/maintaining tools to extract features from a variety of sources including raster to vector, vector to vector, text to vector, and text to database
- 5 years of experience writing/maintaining Python scripts in ArcGIS to improve efficiency of the production process

Security Clearance:

- Active TS clearance

Equal Employment Opportunity Statement

Accenture Federal Services is an Equal Opportunity Employer. We believe that no one should be discriminated against because of their differences, such as age, disability, ethnicity, gender, gender identity and expression, religion or sexual orientation.

All employment decisions shall be made without regard to age, race, creed, color, religion, sex, national origin, ancestry, disability status, veteran status, sexual orientation, gender identity or expression, genetic information, marital status, citizenship status or any other basis as protected by federal, state, or local law.

Accenture is committed to providing veteran employment opportunities to our service men and women.

For details, view a copy of the Accenture Equal Opportunity and Affirmative Action Policy Statement.

Requesting An Accommodation

Accenture Federal Services is committed to providing equal employment opportunities for persons with disabilities or religious observances, including reasonable accommodation when needed. If you are hired by Accenture Federal Services and require accommodation to perform the essential functions of your role, you will be asked to participate in our reasonable accommodation process. Accommodations made to facilitate the recruiting process are not a guarantee of future or continued accommodations once hired.

If you are being considered for employment opportunities with Accenture Federal Services and need an accommodation for a disability or religious observance during the interview process or for the job you are interviewing for, please speak with your recruiter.

Other Employment Statements

Applicants for employment in the US must have work authorization that does not now or in the future require sponsorship of a visa for employment authorization in the United States.

Candidates who are currently employed by a client of Accenture Federal Services or an affiliated Accenture business may not be eligible for consideration.

Job candidates will not be obligated to disclose sealed or expunged records of conviction or arrest as part of the hiring process.

The Company will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. Additionally, employees who have access to the

compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the Company's legal duty to furnish information.
